Bruce Gaitskell

Advisors

Datuk Paddie Bowie
Dato' Neville Green OBE DPMS

Jeremy Green

Jeremy was formerly an Executive Director with Commerzbank AG, responsible for the bank's highly successful activities in Leveraged Finance and Venture Capital. Prior to this, he ran Quantum Capital Limited, a private corporate finance advisory firm, providing strategic advice to UK and US technology companies, making various acquisitions in Europe on behalf of a US asset management company and advising the UK Government on a securitization framework for university student loans.

From 1993 to 1996, he was Head of Structured Finance at Lazard Brothers, where he was responsible for establishing the firm's debt advisory business. At Lazard he was involved in the reconstruction of Lloyds of London as well as a number of other innovative transactions, including the first UK negative equity mortgage product, structuring the first rated 'criteria-driven' US property tax lien transaction and arranging a AAA-rated insurance-backed film finance deal for the US movie industry.

Prior to Lazard he spent ten years at UBS latterly as Executive Director, Asset Securitisation, responsible for the structuring of asset-backed financings including the first AAA-rated auto loan securitizations in the UK. While at UBS he was also responsible Money Markets origination; leading a team charged with establishing an investment banking presence in Japan; and in the early 1980's worked in fixed income sales with responsibility for Swiss institutional clients.

He has an honours degree in Banking & International Finance from The Cass Business School, London.

David Cooper

David Cooper has worked internationally in the healthcare and life science industries for over 25 years. He has director level experience in international healthcare corporations, holding companies and start ups and has held a number of other senior positions including working as an investment banker and leading the business development group of a major pharmaceutical corporation. He advises international

corporations, banks and professional practices on business development.

His areas of expertise include new product development, corporate finance, acquisition and divestiture advice, business intelligence, strategic planning, licensing, marketing, the identification, protection and exploitation of intellectual property, technology appraisal, technology and marketing due diligence, interim management and strategic alliances.

David trained as a scientist, and subsequently studied Philosophy, Psychology and Business Studies. He founded DCA, a specialist business development practice based in London.

Datuk Paddy Bowie

Datuk Dr. Paddy Bowie is the Managing Director of Paddy Schubert Sdn Bhd, the Business Consultancy she set up in 1980. She is also a writer and a well-known political analyst. She was educated at Manchester and Oxford Universities.

She has lived in Malaysia for 51 years and has taken up citizenship.

20 years in Shell she was previously Trade Relations Director on the Main Board of the Shell Group of Companies in Malaysia and Singapore.

She later became the Malaysia Country Manager of the Economist Conferences Group, running her own country Programme – the Malaysia Regional Programme, a peer group forum for leading investors.

Her Consultancy facilitates business entry, offers investment advice, and strategic corporate services, catering for Government Relations, high end strategic public relations and commercial needs of a wide range of clients. Her other specialisation is communications, including a Corporate Writers' service, an award winning film unit, event management and high-level communications training.

A founder member of the Governing Council of the Malaysian Institute of Management she became its Chairman for many years and Vice President of its Court of Fellows. She served a three-year tenure as President of the regional body, AAMO, the Asia Association of Management Organisations, and as Vice Chairman of CIOS, the World Body.

She is well known as a speaker and a writer and has addressed the World Management Congresses at Munich, Caracas, New Delhi, Lima, Adelaide and Kuala Lumpur.
